ETI Mart – Android App – User Manual

Transaction Status
will be displayed
Here

User may take note
of the Transaction ID

The screenshot shows the ETI Mart app interface. At the top, the status bar displays the time 4:22 and various icons. Below the status bar is a teal header with the text 'ETI Mart'. Underneath the header is a light gray section titled 'TRANSACTION STATUS'. The main content area contains a form with five rows, each with a label on the left and an input field on the right:

STATUS	<input type="text"/>
MESSAGE	<input type="text"/>
MOBILE	<input type="text"/>
AMOUNT	<input type="text"/>
TRANS. ID	<input type="text"/>

Below the form is a large light gray rectangular area, and at the bottom is a teal navigation bar with three white icons: a back arrow, a circle, and a square.
